Dear Judge Rodgers:

On March 20, 2018, Mr. Williams appeared before Your Honor for the purpose of an initial appearance. The government filed a motion for detention and a bail hearing was scheduled. Subsequently, Mr. Williams was remanded to custody pending further order of the Court.

On April 13, 2018, Mr. Williams appeared before Your Honor for a detention review hearing. The Court released Mr. Williams under conditions of pretrial release supervision at that time.

On June 27, 2018, the undersigned officer submitted a violation report alleging Mr. Williams tested positive for the presence of marijuana and three allegations that he failed to comply with his home detention condition. The Court took no action at that time.

The purpose of this letter is to request modification of Mr. Williams' conditions of pretrial release supervision.

Currently, special condition #28 subjects Mr. Williams to home detention with the use of location monitoring equipment. Mr. Williams has maintained regular contact with the undersigned officer and is complying with the conditions of pretrial release supervision. Therefore, the undersigned officer believes home detention and location monitoring is no longer necessary to assure the safety of the community or risk of nonappearance.

The undersigned officer contacted the assistant U.S. attorney and defense counsel. Neither party objects to the removal of special condition #28.

Based on the information contained in this report, the undersigned officer respectfully recommends that special condition #28 be removed from Mr. Williams order of release (CM/ECF document # 29).

Should the Court have any further questions, please contact the undersigned officer.

Respectfully submitted,

Matthew L. Thompson
Chief U.S. Probation Officer
